

Future Professionals Makeup Academy Syllabus Master Class

School: Future Professionals Makeup Academy

Instructor: Robert Jones

Course Title: Master Class

Course Description:

The Master Class is the second course in a three-course curriculum. The broad purpose of the Master Class is for the student to take the basic, foundational makeup application skills learned in the Apprentice Level and use them to build upon and learn more advanced techniques.

Course Objectives:

This course gets past the basics and encompasses more advanced makeup application techniques.

Prior completion of the Apprentice Level is necessary. Upon successful completion of this course you will gain the knowledge necessary to:

- Use advanced application techniques for sculpting and contouring any face shape, apply advanced blush, and take your brow application to an advanced level as well.
- Apply beautiful makeup for bronze ebony skin tones
- Identify the different eye shapes and know how to apply eye makeup for all of them.
- Identify different lip shapes and know how to make the lips appear fuller, know how to make uneven lips appear uneven, and will be able to create a nude, red, and burgundy lip.

- Create several different makeup looks, including a retro glam look, day to evening look, the perfect purple eye, and a classic and modern wearable smoky eye.
- Perform basic men's grooming for TV or camera

Certificate of Completion:

In order to earn a Certificate of Completion from the Future Professionals Makeup Academy, the student must watch all the Apprentice Level, Master Class, and Working Like a Pro course videos and be able to successfully complete a multiple choice and true or false computer-generated quiz at the end of each course video.

Recommended Course Supplies (there may be some additions that are not listed here):
