

Future Professionals Makeup Academy Syllabus Working Like a Pro

School: Future Professionals Makeup Academy

Instructor: Robert Jones

Course Title: Working Like a Pro

Course Description:

The Working Like a Pro Level is the last course in a three-course curriculum at the Future Professionals Makeup Academy. The broad purpose of the Working Like a Pro level is for the student to learn even more advanced makeup application techniques, as well as application for specific events, such as dance & performance, weddings, and other special, money-making opportunity events.

The Working Like a Pro course also gives invaluable information for working as a pro makeup artist, such as how to put a makeup kit together, how to work with models and agents, how to apply makeup for photography, and more.

Course Objectives:

This course focuses on the working professional. At the end of the course, the student should be able to:

- Put together a sufficient makeup kit
- Know how to work with agents and models, how to prepare for a job, as well as proper protocol while on set
- Know how to put a portfolio together
- Know how to apply makeup for avenues of income (dance & performance makeup, pageant makeup, weddings, portraits, etc), photography, and special effects, such as how to cover a tattoo
